If you are a breast cancer survivor living in South Florida who is at least 18 years old, of **African descent**, able to read, understand, and write English, have completed active cancer treatment for a minimum of 6 months prior to the survey, received a survivorship care plan, cancer is in remission/cancer free, able to provide informed consent, and have access to a computer and internet to complete an online survey or able to complete a hard copy survey.

You are needed!

- The link to the Survey Monkey™ questionnaire is provided below
- This link will take you to web page that will give you more information about the survey
- If you agree to participate, you will be directed to a series of question about your experience
- The Survey will take a maximum of 20 minutes to complete
- Participation is voluntary and your responses will kept anonymous
- 105 volunteers are needed
- Hard copy version of the questionnaire is available upon request
